Payment method:

We only deliver and perform against prepayment. If, due to special agreements, work is carried out against a target, payment must be made within 5 working days from the invoice date without any deductions. For first-time customers, prepayment is generally required (new customer regulation). In the case of deliveries of goods for the purpose of resale, the goods remain our property until they have been paid for in full and may only be sold by the buyer in the ordinary course of business. In the event of default and if the payment deadline is exceeded, we are entitled to charge business customers default interest in the amount of 8.37% p.a. and for private customers default interest in the amount of 5.37% p.a. to calculate.
